RISE ABOVE

Recently a friend of mine told me of an unusual experience he encountered and how it was a moving experience for him. It seems he was about to fly and see a relative across country, had boarded the plane and was awaiting takeoff. Suddenly the Captain turns the plane back to the terminal telling all the passengers that for safety they would be deboarding the aircraft because of severe weather in the area. After a short delay back in the terminal they boarded again and they started the process again. He said as they were reaching the end of the runway in preparation to take off, again the weather worsened but this time there was no indication from the pilot, the plane accelerated to takeoff speed and off they went. My friend said it was a very bumpy first few minutes and before he knew it they were above the storm. He also remarked to me as he looked out one of the side passenger's windows, he saw the most amazing sunsets he had ever seen. He said as his mind cleared he just enjoyed the beauty God created.

Brethren, isn't that a lot like life? Even with a terrible storm below, it is nice to know that we can "Rise Above" the storms of life and know that HIS majesty supports us all. We need to let our focus be on God and trust that His Will shall always be done, no matter what is in front of us.

Philippians 4:6-8 comes to mind, "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your request to God. And the peace of God, which transcends understanding, will guard your hearts and your minds in Christ Jesus."
