WELCOME!!

FACEBOOK PAGE

Brethren, over the years it seems we have accumulated at least 3 FB pages. The Elders, under their direction, ask Bro. Raymond Copeland (our Deacon in charge of education) to establish an "official" Facebook page. That page will be used from time to time as a tool for both education and evangelism. When you go to your FB page and look for the "official" FB page for Caverns Road...it will be listed as:

Church of Christ at Caverns Road

Please, go there and send your friends there when they want news from the church that meets here. Our "Live streaming" will be on this site every Sunday morning in the worship time along with other tools to spread our Lord's gospel. Very soon, our Church's web-page will be back up and running and you will find "links" from it to our FB page and vise-versa. Let's utilize these great avenues of media to spread the Good News about Christ as well as to encourage the brethren here at Caverns Road and through the brotherhood of believers worldwide.

God Bless,

Caverns Road Elders

HOMECOMING
MARIANNA/CAVERNS ROAD
CHURCH OF CHRIST
1944-1969-2019
75 YEARS/50 YEARS

*This October 6th our congregation will remember two important dates in the life of the Lords Church here in Marianna, the 75th Anniversary of the congregation and the 50th year in the buildings at Caverns Road. God is big on remembering, He told Joshua in **Joshua 4:19-24** to take 12 stones and create a monument for God's people to realize He is always with them, and in **Genesis 35** He told Jacob to go back and make amends with his brother Esau and build a monument at Bethel as a memorial to Jacob's return to doing thing God's way.*

The Elders here at Caverns Road have set aside October 6th as a time this congregation will remember what the Lord has done for this congregation over these many years. Over the next few weeks in our bulletin I will include excerpts and pictures (I hope) from the early years of the Lord's Church here in Marianna.

Excerpt from 1969 Directory:

Paul Simon, supported by the West Hill and East Hill churches of Christ in Pensacola is believed to have preached the first sermon in Marianna in a Gospel meeting beginning June 12, 1944. The sermon was preached in a tent at 621 Liddon Street (site where they would later build the church's first building). The entire congregations came from Chipley and Altha. The first regular service was conducted in the City Hall on October 22, 1944, at three o'clock in the afternoon. The sermon was entitled, "Christian Duties".

Brethren over the next several Sundays we will give more information concerning the plans for our Homecoming. Brother Jimmy Miller will be preaching that Sunday morning and Brother Philip Dampier will lead the morning Bible Class. Both of these men served as minister here during the years just before and immediately after the building of this building...please make plans to be with us and invite any former members of the congregation to be apart of this commemoration of what the Lord have done here for His church. 7 of our current members where a part of the 1969 congregation when they moved into the building here at Caverns Road...well, much more to come,, please pray for this effort and make your plans to be apart.
